Dan Fillius, Iowa State University
Ellen Johnsen, Iowa State University
Kathiravan Krishnamurthy, Illinois Institute of
Technology
Angela Shaw, Texas Tech University
Phil Tocco, Michigan State University

Part of our grant objectives is creating new resources. Those newly-developed resources are on a table. Please look them over and let us know how you might use them and what resources are still needed. When you've completed the review, please take a "thank you" present for your time and thoughts.

The other resource table is filled with the resources the NCR FSMA developed in previous iterations of the grant. Please take these with you and distribute them!

Thursday, April 4

- 7:00 Breakfast is served (until 8:00)
- 8:00 Welcome
Angela Shaw (video)
- 8:05 Short Reports-
NASDA Update- Carol Perrier
