

NCR FSMA Peer Mentorship Form

The NCR FSMA Peer Mentorship Program goes is to assist with fostering a professional relationship with a fellow food safety educator. We desire a six-month commitment to work with a peer food safety educator and set a goal to increase knowledge, experience, and/or skill set. The expectation is that the team meets at least once in person (i.e. \$500 travel scholarship) to help with the fostering of a continuous relationship. During this visit, we would like at least 1 photo taken to capture the experience. A post-program evaluation is required after the time with the program is completed. Below are the questions that we want the peer group to fill out.

Mentee Name and Position: _____

Mentor Name and Position: _____

1. Plan of work: What are your objectives as you work together?
2. Timeline for plan:
3. Provide a brief description of how the \$500 will be used (i.e. travel, resources, etc.).

To be shared with the NCR FSMA after your last meeting.

Provide a picture of both of you completing the “planned work.”

1. Describe what knowledge or skills was learned.
2. Describe how the mentee will continue to develop in this area.
3. Are there any take home messages to share with others?
